T19062 Aware HSA \$6,350 Deductible Plan

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage Period: Beginning on or after 01/01/2019 Coverage for: Single and family | Plan Type: HSA

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.bluecrossmnonline.com</u> or call 1-866-873-5943. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>https://www.healthcare.gov/sbc-glossary</u> or call 1-866-873-5943 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	 \$6,350/individual medical and drug <u>Network</u> \$12,700/family medical and drug <u>Network</u> \$12,700/individual medical and drug <u>Out-of-Network</u> \$25,400/family medical and drug <u>Out-of-Network</u> 	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. This <u>plan</u> has an embedded <u>deductible</u> . If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. Well-child care, prenatal care and Network <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	 \$6,350/individual medical and drug <u>Network</u> \$12,700/family medical and drug <u>Network</u> \$19,050/individual medical and drug <u>Out-of-Network</u> \$30,000/family medical and drug <u>Out-of-Network</u> 	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-</u> pocket limit.

Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.bluecrossmnonline.com/find a doctor/#/home</u> or call 1-866-873-5943 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network</u> <u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
