

ACCIDENT- EMPLOYER PAID FOR EMPLOYEE! COVERAGE AVAILABLE FOR YOUR FAMILY

Accidents happen to all kinds of people every day.

What would the financial impact of an injury mean to you? Are you prepared for high medical costs in addition to everyday household expenditures and lost wages? Out-of-pocket expenses associated with an accident are unexpected, but an accident's impact on your finances and your well-being certainly can be reduced.

Aflac is here to help. If you have an accident, major medical insurance will help with many medical expenses, but you could be left with out-of-pocket expenses. You could also lose pay while you're out of work. And you can be sure that the bills will keep coming.

IT'S INSURANCE FOR DAILY LIVING:

Aflac pays cash benefits directly to you, unless otherwise assigned. This means that you will have added financial resources to help with medical costs or ongoing living expenses. Aflac group accident insurance plans* are designed to provide you with cash benefits throughout the different stages of care, such as the following:

- Emergency treatment
- Hospital admission
- Intensive care unit
- Ambulance transportation
- Travel expenses to distant treatment centers
- Everyday living expenses, like your rent or mortgage, utility bills, groceries, and more
